Prepare a shop

The brand needs to try the shop before approving its launch.

Fictional example

Atelier Serein · Browse the collections and open the eye mask page.

The page opened must match the chosen product. The brand controls publication.

Atelier Serein · Eye mask product, from the private shop preview.

€1,980 · full scope, no VAT

A private shop copy, two collections and up to eight simple product pages. The brand keeps accounts and files.

The private copy costs €1,980. To enable payments, Jérémie also confirms the technician’s fee and schedule. €990 after signing and €990 within 14 days of full handover.

The smallest useful scope

The shop exists. Just one simple page is missing. Commission only the simple page · €1,420 to CP360.

To agree the date

Approved copy and images, available template and selected collections. Once the range and collections are approved, CP360 builds the copy and checks its links. Payments, shipping and go-live require a separate technical slot. Jérémie confirms date and budget in writing before signature.
