CheckPoint360

Fix a catalogue import

Prepare the correction selection for approval, correct the CSV, and deliver differences and exceptions.

Complete project fee

1260 € — no VAT. One rule, one language, one field, up to twenty products in two hundred rows.

Your team has already started

Catalogue package preserved. Selection is part of the paid work after deposit.

Schedule and payment

5 working days after verified sources, agreement and cleared deposit. Start and date confirmed before agreement. €630 after agreement; €630 within 14 days of complete delivery.

What this fee covers

We work from your existing sources: CP360 reconciles, adapts and checks the assets within the displayed scope. No subscription or extra purchase without your agreement.

Provide to us

The source export and correction rules

You approve

The selected rows before any changes

Delivery and next steps

Original + approved selection + corrected CSV + differences + exceptions. Complete when: Only the cells in the approved selection change. One consolidated review included. Our errors are corrected. Additions are quoted before work starts. CP360 reconciles the sources, completes the required format and checks calculations and references. You approve commercial decisions. One consolidated review included. Our errors corrected. Third-party purchases remain separate and require approval. For a new version, send only what changed; reusable preparation is deducted after checking.
