CP360 · Scope to confirm before agreement

Launch a gift set

350 € · no VAT

Calculate contents and stock to reserve, install the preassembled gift listing and test its purchase.

Included

One fixed-quantity gift set on WooCommerce: composition, price, reserved stock and product page installed by CP360. Component stock is reserved once; no ongoing synchronisation, paid bundle app or physical stock handling.

Result checked

The approved quantity is reserved in inventory; contents and cart match.

Your approval

Set contents and selling price

One consolidated revision included; CP360 errors corrected. Extra scope is priced before work. Existing assets reused; no subscription required. 50% deposit after agreement, balance within 14 days of complete delivery. Destination, access, delivery date and third-party costs confirmed before commitment.
