Prepare a label series

The printer needs front labels for several sizes.

Fictional example

Savonnerie · One scent, two weights. Compare 00101 at 75 g and 00102 at 110 g.

The two files for a scent must carry the corresponding weights and references.

€1,440 · full scope, no VAT

One shared front layout, eight scents and two weights. Sixteen PDFs and editable drawings, one technical revision on the agreed template.

Printing is paid to the printer. Jérémie confirms its estimate and your total before agreement. €720 after signing and €720 within 14 days of full handover.

The smallest useful scope

Our printer owns the approved layout, variants and checks. Keep this in-house · €0 to CP360.

To agree the date

Approved copy, references, brand assets and printer template. The brand approves one model. CP360 produces and checks 16 fronts; the brand signs off with its printer. Jérémie confirms date and budget in writing before signature.
