Update product instructions

The current batch changes while an older FAQ still gives the previous answer.

Fictional example

Atelier Serein · Current batch: maximum 30°C. Earlier purchases use their own label.

Read the FAQ as someone who already bought the product. It should refer them to their label.

€1,420 · full scope, no VAT

One reference, one field and up to three pages in one language. Corrected source and checked text for each destination.

Any third-party charges are confirmed separately before agreement. €710 after signing and €710 within 14 days of full handover.

The smallest useful scope

One edit updates all our pages and we can check them. Keep this in-house · €0 to CP360.

To agree the date

Approved instructions, effective date and one known page. Once the applicable batch is approved, CP360 prepares and checks the copy. Any studio implementation is priced before agreement. Jérémie confirms date and budget in writing before signature.
