CheckPoint360

Design a retail display

Design a display and a product card using existing brand assets and templates, and deliver production files.

Complete project fee

350 € — no VAT. One display and one product card, supplied brand assets and templates.

Your team has already started

Cutout photos and final copy are already ready in the required formats. Deduction: 50 € after verification.

Schedule and payment

5 working days after verified sources, agreement and cleared deposit. Start and date confirmed before agreement. €175 after agreement; €175 within 14 days of complete delivery.

What this fee covers

One display and one card at your dimensions using your existing identity. We create the layout and files; this is not a brand redesign.

Provide to us

Photos, brand assets and dimensions

You approve

The design at its final size

Delivery and next steps

Display + product card, printable and editable files. Complete when: Dimensions and legibility are checked at the supplied final size. One consolidated review included. Our errors are corrected. Additions are quoted before work starts. CP360 adapts to the template, exports the versions and checks the files. You approve the printer’s proof when manufacturing is involved. One consolidated review included. Our errors corrected. Third-party purchases remain separate and require approval. For a new version, send only what changed; reusable preparation is deducted after checking.
