CheckPoint360

Prepare printer-ready artwork

Adapt an approved design to three products, export the files and handle one printer technical review.

Complete project fee

390 € — no VAT. One approved design, three products, supplied templates, one technical review.

Your team has already started

The three versions are already laid out in the correct templates. Deduction: 50 € after verification.

Schedule and payment

5 working days after verified sources, agreement and cleared deposit. Start and date confirmed before agreement. €195 after agreement; €195 within 14 days of complete delivery.

What this fee covers

Three products from approved artwork and printer templates. Adaptation, exports and one technical revision included. New creative work or regulatory approval is not hidden in this fee.

Provide to us

Approved design and the printer’s template

You approve

The proof before manufacturing

Delivery and next steps

Three production PDFs + editable sources + reference sheet. Complete when: Dimensions, product reference and version match the approved printer templates. One consolidated review included. Our errors are corrected. Additions are quoted before work starts. CP360 adapts to the template, exports the versions and checks the files. You approve the printer’s proof when manufacturing is involved. One consolidated review included. Our errors corrected. Third-party purchases remain separate and require approval. For a new version, send only what changed; reusable preparation is deducted after checking.
