CP360 · Scope to confirm before agreement

Launch a collection

490 € · no VAT

Prepare three product listings from your documents, integrate the collection and announcement, and test the cart.

Included

Three new products and one collection on an existing WooCommerce shop: copy, message, integration and checks. Drafts followed by publication after approval; payment and shipping already operational.

Result checked

Each product variant reaches the basket at the approved price.

Your approval

The range and launch date

One consolidated revision included; CP360 errors corrected. Extra scope is priced before work. Existing assets reused; no subscription required. 50% deposit after agreement, balance within 14 days of complete delivery. Destination, access, delivery date and third-party costs confirmed before commitment.
