Delivery and next steps

Three corrected sources; a usable PDF for each Word document.. Complete when: The statement is replaced at approved occurrences; layout and exported PDFs are checked. CP360 adapts to the template, exports the versions and checks the files. You approve the printer’s proof when manufacturing is involved. One consolidated review included. Our errors corrected. Third-party purchases remain separate and require approval. For a new version, send only what changed; reusable preparation is deducted after checking.
