CheckPoint360

AGENCY FOR INDEPENDENT SKINCARE AND HYGIENE BRANDS

What still needs to be ready for sale?

Your partner keeps design and implementation. Bring Jérémie the product decision still to be made or the file your team needs. Try a handover before you write.

Your studio needs to know what to show.

Checked selection and product pages: €1,480 for CP360. Any studio fees are quoted before approval.

Choose between the bottle alone and the set with 30 cards.

Your range is changing before the next sale.

Catalogue before import: €1,260. An instruction change across up to three pages: €980.

Open the corrected file and find the ambiguous row that was left untouched.

A buyer or a sales team needs to use the range.

Custom assortment quoted. A supplied retailer template or a single-range staff guide: €980 each.

Act as the buyer. Select products and keep the rows you chose.

When is it worth commissioning us?

When someone still needs to decide, produce and check the result on your behalf. If your team can finish, keep the work in-house. Jérémie confirms the smallest useful scope, fees, total with no VAT and date before agreement. The examples above are fictional.
