Run a promotion

249 € · no VAT

Prepare the announcement and schedule the promotional price start and end in your shop.

Included

One existing WooCommerce product: announcement, price and dates configured using native features, then read back and checked. Return to normal price scheduled; no extra app or permanent monitoring.

Result checked

Price and time zone match; start and end are saved and read back in the shop. The journey is tested before handover.

Your approval

The promotional price and dates

One consolidated revision included; CP360 errors corrected. Extra scope is priced before work. Existing assets reused; no subscription required. 50% deposit after agreement, balance within 14 days of complete delivery. Destination, access, delivery date and third-party costs confirmed before commitment.
