CheckPoint360

Size a first production run

Compare two production runs: cash commitment, required sales and units without firm orders.

Complete project fee

249 € — no VAT. Two quantities, supplied quote and costs; decision and calculations included, with no invented sales forecast.

Your team has already started

Unit costs and fixed costs are already separated and approved. Deduction: 30 € after verification.

Schedule and payment

4 working days after verified sources, agreement and cleared deposit. Start and date confirmed before agreement. €124.5 after agreement; €124.5 within 14 days of complete delivery.

What this fee covers

Two quantities, supplied quote and costs; decision and calculations included, with no invented sales forecast.

Provide to us

Supplier quote, price and indications of demand

Delivery and next steps

Reasoned decision and filled reusable calculator for both runs.. Complete when: Both commitments match the quote; firm orders remain distinct from forecast sales. CP360 reconciles the sources, completes the required format and checks calculations and references. You approve commercial decisions. One consolidated review included. Our errors corrected. Third-party purchases remain separate and require approval. For a new version, send only what changed; reusable preparation is deducted after checking.
